MANUFACTURERS BUY AMERICAN CERTIFICATION

A.R.K. Ramos Architectural Signage acknowledges to and for the benefit of _____ (OWNER), that it understands the goods and services for _____ (PROJECT), it is providing are being made available for the project being funded with monies made available by the federal American Recovery and Reinvestment Act of 2009 (ARRA), and such law contains provisions commonly known as “Buy American” that requires all of the iron, steel and manufactured goods used in the project to be produced in the United States (“Buy American Requirements”). A.R.K. Ramos hereby represents and warrants to and for the benefit of OWNER and CONTRACTOR that (a) A.R.K. Ramos has reviewed and understands the “Buy American Requirements”, (b) all the iron, steel and manufactured goods specified which A.R.K. Ramos proposes to provide for the project will be and/ or have been produced in the United States in a manner that complies with he “Buy American Requirements”, unless a waiver of the requirements is approved, and (c) A.R.K. Ramos will provide any further verified information, certification, or assurance to compliance with this paragraph, or information necessary to support a waiver of the “Buy American Requirements”, as may be requested by OWNER or CONTRACTOR. A.R.K. Ramos’s determination that manufactured goods (but not necessarily all components or subcomponents) will be and / or have been produced in the United States in a manner that complies with the “Buy American Requirements” is based on good faith interpretation of EPA 3-part test for determining where the substantial transformation has occurred in the United States as well as case precedent under the substantial transformation test utilized by U.S. Customs.
